PUBLIC NOTICE

WATER TARIFF INDEXATION

Esteemed Customer,

We sincerely thank you for your continued support and confidence in our services.

We wish to inform all our valued customers that Kitui Water and Sanitation Company (KITWASCO) has indexed the water tariff with effect from July 2026. This is in line with KITWASCO's approved tariff which provided for indexation. This mechanism is provided for in the approved tariff structure to enable KITWASCO to continue delivering safe, reliable and sustainable water and sanitation services amidst the rising operational costs.

Please note that the adjustment is not a new tariff review but a periodic indexation of the existing approved tariffs as provided for in the current tariff regulations by water services regulatory board (WASREB).

We appreciate your understanding and continued partnership as we strive to provide quality, reliable and sustainable water and sanitation services.
